The current Art@Southlands Gallery exhibition includes artwork inspired by the congregation's vision to multiply points of light through out the Southland and beyond. Amidst the darkness of depression, despair, self-deception, and death, Christ proclaims, "I am the light of the world."

Artists were encouraged to create work exploring and expressing the relationship between light and darkness, and to ponder how it is that these two physical manifestations, might have a parallel or symbolic spiritual correlation that originates from one's relationship with Jesus.
